3-DAY IGNATIAN RETREAT

You Can't Win the War if You Can't See Your Enemy

Fr. David Rosenberg, director of the Institute for Spiritual Direction, will be the Rector for this retreat. It begins with registration at 6:00 pm on Friday, May 19th. The opening session will consist of orientation and an introduction to the rest of the weekend.

This title points out one of the greatest benefits. We will learn to recognize the work of the evil spirit in our spiritual lives, and we will learn strategies to defeat him. Ignatius was a military man and he appreciates the value of evaluating the situation and recognizing a strategy for victory. And he keeps his eyes on the ultimate goal—to recognize the work of the good spirit, and to follow him to victory.
